Melanie Safka -

I rode my bicycle past your window last night
I roller skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you got something I need

Well I got a brand new pair of roller skates you got a brand new key
I think that we should get together and try them out you see
I been looking around a while you got something for me
I got a brand new pair of roller skates you got a brand new key

I ride my bike I roller skate don't drive no car
Don't go too fast but I go pretty far
For somebody who don't drive I been all around the world
Some people say I done all right for a girl

Well I got a brand new pair of roller skates you got a brand new key
I think that we should get together and try them out you see
I been looking around a while you got something for me
I got a brand new pair of roller skates you got a brand new key

I asked your mother if you were at home
She said yes . but you weren't alone
Sometimes I think that you're avoiding me
I'm okay alone but you've got something I need

Well I got a brand new pair of roller skates you got a brand new key
I think that we should get together and try them out you see
La la la la la la la la la la la la
I got a brand new pair of roller skates you got a brand new key
I got a brand new pair of roller skates you got a brand new key
