

Dirty old town. Ewan MacColl

intro C

I met my love by the gas works wall
Dreamed a dream by the old canal
I Kissed my girl by the factory wall
Dirty old town, dirty old town repeat last line then pause

Clouds are drifting across the moon
Cats are prowling on their beat
Spring's a girl from the streets at night
Dirty old town, dirty old town repeat last line then pause

I Heard a siren from the docks
Saw a train set the night on fire
I Smelled the spring on the smoky wind
Dirty old town, dirty old town repeat last line then pause

I'm gonna make me a big sharp axe
Shining steel tempered in the fire
I'll chop you down like an old dead tree
Dirty old town, dirty old town repeat last line then pause

I met my love by the gas works wall
Dreamed a dream by the old canal
I kissed my girl by the factory wall
Dirty old town, dirty old town repeat last line then pause
